MISSIONARY UPDATE

05/28/26

Tommy & Karen Waters
Cru-Jersey Metro

May brings about a lot of transition in campus ministry. We have had last meetings and outreaches.

We were so grateful for the many underclassmen that we had involved this year. The reason that so many stayed is because God used our seniors and upperclassmen to support and encourage them. These are a few highlights:

Yohan is graduating from Rutgers with a computer science degree. He served as president of Cru and was instrumental in navigating some challenging times this year while continuing to encourage new freshmen. I have been so encouraged by his growth these past four years. He is the last sibling of his family to be involved with Cru since 2017.

Alex is another senior at Rutgers who has served on leadership the past two years. He had a heart and a vision for community and helped bring the group together on many occasions. He is moving on to the finance and business field.

Gary isn't a senior but is transferring from Raritan Valley Community College to a new school in a new state. He has been the president of RVCC Cru for two years. He started when we had no one involved and helped give stability to the movement. Now it is thriving with around 20 students, actively involved in ministry and sharing their faith.

These three students along with others have had a tremendous impact on their campuses. They poured into and encouraged the underclassmen. We're trusting God for what He has for them next!

Janell and Giovanna (RVCC students), are joining us with 5 other NJ students on the Hampton Beach Summer Mission. There is another student going to Puerto Rico for summer mission. We have a total of 8 students from NJ being sent this summer on mission, the highest number we have had come with us from NJ in a long time! We can't wait to spend the summer with them and see how God will work in and through their lives!

Our family is looking forward to the summer mission and to sharing with you about it. We're grateful for your prayers!

Praise Reports & Prayer Requests:

- Praise God for seniors pouring into underclassmen
- Praise God for Jersey students going on summer missions
- Pray for our summer mission plans
- Pray for us as we trust God in parenting.
- Pray that we would be fully funded in our ministry efforts
