MISSIONARY UPDATE

09/05/23

Roy Anderson

Two weeks ago I came down with COVID. Miserable. Got through the first stage, but have been struggling with the typical aftermath. No taste, smell, cough, legs wobbly, loss of energy. I am told that is going to happen when I get old.... No fun.

Anyway, I got my last summer Bible study video off to Kenya. I've been asked to bring the Sunday Bible study in the little Hispanic church I've been attending. That's for Sept. 3rd. Then Adam and I drive back to Arizona, Sept. 4 & 5. Still in the hundreds back home!

Request:

A rather nice (for Africa) Bible school holds sessions for pastors who have not had Bible training. I visited them at the beginning of my last trip to Kenya. These folk are the very few whose teaching is Biblically based and solid.

Two of our pastors have qualified to attend the next session in a few weeks. It will cost \$1000 for the both of them (room, board, materials, and teaching). If there is immediate interest, I would love to let them know they can go. I'll get their names and their church locations for your prayers if they go.

As always, your prayers are so very precious.
