MISSIONARY UPDATE

02/19/26

"BMC"

We have some very exciting news! The complete Bible has been translated into the local language, printed, and on their way to our mission field country! This work took 63 years! A colleague, "M," has been working on this translation project for over 50 years. Many have partnered with "M," and of course, God is the ONE who made it possible.

People who speak this language number 7 million worldwide, with the majority of them here. They are also 99% Muslim. There are estimates of fewer than 100 known Christian believers among these people.

Here is an update from "M."

"The Bibles were printed in "A" and loaded into a 40 ft container in mid-December, arriving on February 25 to be trans-shipped to the local city, arriving mid or end March. "B" and "N" have prepared two 20 ft containers, but many of the Bibles will be distributed or sold at ceremonies of dedication on May 16 in "T" and on Jun 13 in "M." We will be printing single books, taking them right out of the Bible, so there's no need to reformat, in order to interest people in reading the whole Bible. So any space left in those containers will also serve to store the stock of single books.

Please pray that the Holy Spirit will work through the word to convict of sin and reveal Jesus Christ as the only Savior. Pray for the recording of several Old Testament books during the last week of February and the recording of Matthew, Mark, and John during the first week of March. People read with difficulty, so it helps if they can listen to a recording as they read. Pray also for the broadcasting of these recordings on the radio stations that "B" has helped to set up in towns throughout the country. When God's word goes out, he is glorified."

Rejoice with us!!! Pray with us. "God's word does not return void." (Isa 55:11)
