MISSIONARY UPDATE

03/31/25

David Wilson Worldwide Proclamation

The fields in developing countries are especially ripe for harvest, and our national evangelists are busy proclaiming the Good News of Salvation to open hearts. Last year, over 500,000 were reached face to face. We work closely with evangelical churches in these countries. In Bolivia, four churches are being planted and services held in Indian tribal villages where we preached last year. Some of the Indians told us that we were the first missionaries ever to come to their village.

PLEASE PRAY WITH US...

1. Our evangelists in the Congo (DRC), where their lives are in danger. In Goma, where we have a branch, over 3000 were killed by rebels.
2. Anatoly, Yulia and Anastasia in Ukraine, as their lives are also in danger every day from the ongoing war. God is turning the evil into good as many are coming to faith in Christ.
3. Our coming trip in April by boat up a Bolivian river to Indian tribes, that the Lord will keep us safe from quicksand, anacondas, jaguars, sickness, and that precious souls will turn to Him for salvation.
4. The Lord's people to continue supporting this frontline ministry of evangelism. We all live totally by faith with no promised salary. I have lived this way for 55 years in this ministry, and God has never failed. As David the psalmist said, "The Lord is my shepherd; I shall not want (lack)." Psalm 23:1
