## MISSIONARY UPDATE

Tommy & Karen Waters

06/30/25

Cru

Summer time is an opportunity for us to shift our focus a bit and do a different type of ministry with a different group of students. The Hampton Beach Summer Mission provides a unique chance to work with students from other parts of the country for a short period of time.

Last year at this time we were pretty disappointed because the summer mission had to be canceled for the first time in 51 years. We had been coming for almost 20 years ourselves and it is a big part of our ministry and life on staff. This year we brought in some new leadership and made some changes including the length of the mission. We are excited to have 28 students with us and our HBSM staff team this year!

These students are from all over the country. We have two from New Jersey: Ashley and Renae. There are students from Pennsylvania, West Virginia, Ohio, and as far as California. They have been here for almost two weeks now.

The bulk of the mission is aimed at equipping these students to share their faith in the community, on the beach, and at their workplaces. They all get jobs locally and spend time off work meeting with staff, studying the Bible, and sharing their faith on the beach.

Our family has really enjoyed being here this summer and living in community with the other staff and students. Thank you for the part you play in allowing us to be here and serve these students.

#### **Prayer Requests:**

- ☐ Praise God for a great group at the Hampton Beach Summer Mission
- ☐ Pray for the students as the staff leave that they will continue to share their faith diligently
- ☐ Pray for our New Jersey staff and students as they prepare for the Fall semester
- ☐ Pray that we would be fully funded in our ministry efforts
